

# MARKETING FOR HIPPIES 101

HOW TO GROW YOUR GREEN, LOCAL AND HOLISTIC BUSINESS

Hey there,

My name is Tad Hargrave. I'm the founder of *Marketing for Hippies* and I want to invite you to join me for a content-rich, roll-up-your-sleeves, nuts-and-bolts workshop called "*Marketing For Hippies - How To Grow Your Green, Local And Holistic Business.*"

**A workshop where you can:**

- learn the marketing secrets of the world's most successful green, holistic, community-minded entrepreneurs
- attract more of the clients you want, without ever sacrificing your integrity, selling your soul, spending a fortune, abandoning your values or giving up your unique, funky vibe

**While you mingle with like-minded peers, you will learn:**

- the Three Core Foundations and Seven Platform Elements you need to attract more - and better - clients, with absolutely zero budget
- the core reason why most marketing feels bad (and exactly how to make sure your marketing avoids it)
- the only three kinds of potential clients you will ever meet, and the exact approach you need to take with each of them
